Disclaimers:

1 Installations designed for ambience and information kiosk will be created at the central squares (as marked) and the Council retains the rights to change the same without any prior notice.
2. The floor plans provided are not to scale but are as accurate as possible. Minor variations and difference may be there in the location of the booth or the structure or the pillars.
3. The Council retains the right to make any necessary changes on the floor-plan considering safety and regulatory requirements on site which all exhibitors are liable to strictly adhere.
4. Merging of the booths is allowed only before the allotment or during the allotment process, based on the confirmation from the design team of the Council and the requirement of the Ex hibition.
Merging of booths is based on the application and will be at the sole discretion of the Council.
5. Few pillars at the venue may be cladded for overall show branding. Measures will be taken so that it does not obstructs the view of the booth, however the pillar may be closer to booths at select few locations, therefore the Exhibitors are required to select the booth, accordingly.
