

OKAVANGO DIAMOND COMPANY HOST DIAMOND VIEWINGS IN INDIA

The GJEPC and Bharat Diamond Bourse (BDB) are pleased to inform their members that Okavango Diamond Company (ODC) will be hosting a diamond viewing for registered customers at the India Diamond Trading Centre (IDTC) from the **22nd March to 25th March 2017**.

As previously, ODC will be showing a selection of its Sales Assortments in Mumbai in parallel with the full range of production being shown in Gaborone, Botswana. ODC viewing appointments at the IDTC will be available to any GJEPC and BDB members who have completed ODC's registration process.

If you are interested in participating in ODC's sales, and are not already a registered customer, you will first need to complete and return the ODC Registration Form and provide the necessary supporting documentation. The ODC Customer Registration Documents are available at www.odc.co.bw and click on "Become a Customer"

ODC recommends that prospective customers complete the registration process as early as possible in order to avoid any delay in attending their sales. Any company that is not already registered with ODC, but wishes to participate in the March viewing, will need to submit their completed Registration Forms and supporting documents for review by ODC by 10th March 2017.

ODC will provide further information about the goods that will be available for the March viewing and will be inviting customers to make viewing appointments during the week of the 27th February.

For any registration enquiries please contact:
