Ref.No: GJC/Jewellery Park_Meeting/2015-16

2nd February, 2016

To,

ALL EXHIBITORS OF SIGNATURE 2016
ALL MEMBERS OF THE COUNCIL BASED IN MAHARASHTRA
ALL MUMBAI BASED VISITORS OF SIGNATURE SHOW

Dear All,

As you all are aware, GJEPC is the apex body of gems & jewellery industry and has continuously strived to both expand its reach and depth in its promotional activities as well as widen and increase services to its members. GJEPC's main vision is "To make India the preferred source for quality gems and jewellery" and mission is "To enable every individual associated with the Indian gems and jewellery industry to achieve their full potential.

With the success of SEEPZ & Bharat Diamond Bourse in integrating the industry's manufacturing for exports & trading of diamonds, a need has been envisaged to integrate the SME manufacturers of handmade plain gold jewellery & diamonds under one roof especially that of Mumbai & the state of Maharashtra. The Ministry of Commerce, Govt. of India also had told us to come up with the policy of Gem & Jewellery Park in India in the lines of software/Leather or Textile Park in India.

Keeping this in mind Council is planning to develop a state of the art of Gems and Jewellery Industry Park at financial capital India, Mumbai that will be the first of its kind in the country which could be of great asset for Domestic/ International Gems & Jewellery Industry. It will be equipped with the best technology & machines with higher efficiency and better work culture that will bring a difference to the business of Gems and Jewellery in terms of quantity and quality of work standards & environment.

As Industrial Park has become the integral part of the business model for leading sectors all over the world and does create a huge platform between countries to enhance business and Trade development which indirectly benefits to the state and governments share of total economic benefits.

Main thrust of this jewellery park will be to give convenient manufacturing place to handmade and small scale sector. Council has already initiated discussions with Maharashtra Govt. for the venture and signs are very encouraging in developing this concept in near future.

Hence, I invite you, on behalf of Gems and Jewellery and Industry at large in state of Maharashtra and beyond to come for a presentation on this concept and consultation meeting for the same.

Details of the meeting are as below :-
