**Subject: Invitation to participate in The Gem & Jewellery Export Promotion Council's
India Gems & Jewellery Awards 2020 (47th Edition)**

Dear Sir/Madam,

We are pleased to inform you that The Gem & Jewellery Export Promotion Council (GJEPC), the apex body of the Indian Gems and Jewellery industry is organising the 47th edition of India Gems & Jewellery Awards (IGJA 2020). The awards are being presented in recognition of the business excellence demonstrated by enterprises and entrepreneurs constituting the industry, and stand testimony to the industry's growing standards of modern design, innovation, differentiation and uniqueness.

IGJA 2020 will felicitate companies for their exemplary performance on key parameters like growth, export excellence, marketing initiatives, innovation, CSR initiatives, value additions and investment in R&D, among other attributes, during the year 2019-20. The awards will also felicitate supporters of the industry like banks and agencies supplying gold, CHA, etc.

Dun & Bradstreet has been entrusted with the responsibility of Knowledge Partner for IGJA 2020. The award winners' finalization will be purely based on a nomination driven process, with nominations being open exclusively for GJEPC members, except for certain categories specifically kept open to the supporters of the industry. A proprietary quantitative model developed by Dun & Bradstreet will be used to shortlist the possible award winners, while the final set of award winners will be chosen by an esteemed jury. All companies sending in valid nominations will receive DUNS number from Dun & Bradstreet.

We are pleased to invite your company to file its nomination in any of the award categories. Please note that companies can nominate in multiple categories.

Accordingly, the nomination form needs to be **FILLED ONLINE ONLY**. Only members of the Council are eligible to participate in the Awards.
