No. BAH/COM/212/29/2005 27

December 2005

The Chairman,
Gem & Jewellery Export Promotion Council
G-6, Radhe Vallabh CHS, Opp. Operahouse
Mumbai.

Dear Sir,

We wish to express our sincere thanks and support for your active support extended to the catalogue exhibitions of Indian products and services organized by this Embassy in the past where catalogues from Indian companies were showcased along with audio-visual shows on Indian industry & commerce, economy & tourism. These exhibitions had evoked keen interest and overwhelming response from the local and expatriate business persons in Bahrain.

We are planning to hold the **5 th India Catex 2006 Exhibition in the first week of March 2006**. The date and venue will be informed once it is finalized.

As in the past, we intend to organise video screenings on Indian industry & commerce and tourism and hold seminars and presentations on the sidelines of the 5 th India Catex 2006. This is a purely catalogue exhibition of Indian products and services. Personal participation of any company's representatives in the exhibition, at their own cost, is most welcome.

We would, therefore, be grateful, if you could kindly arrange to circulate information on this event amongst members of your organization, advising them to forward to us 50 brochures (minimum 25 brochures - also CD Roms/videos, if any) of their product –line for display and distribution at the Exhibition. All arrangements of the Exhibition would be looked after by Embassy officials. No expenditure is involved on the part of participating companies other than the cost of sending the brochures to the Embassy through courier. This will be an excellent opportunity and platform, provided cost free by the Embassy of India Bahrain, for Indian companies to reach out to the growing business opportunities in Bahrain.

The brochures and other promotional materials could be sent by courier to reach us latest by **15th February 2006**, at the address given below :
