About **IGJS JAIPUR**

After the resounding success of the International Gem and Jewellery Show (IGJS) in Jaipur from 1st to 3rd April 2023, the council is delighted to announce yet another remarkable occasion for industry professionals to connect with international buyers. This eagerly anticipated event presents an exclusive opportunity to engage with a global audience, and it has been scheduled to take place in **Jaipur from 12th to 14th April 2024.**

IGJS Jaipur serves as a prestigious platform to showcase India's exceptional collection of designer fine jewellery, encompassing an exquisite array of colorful gemstones and dazzling diamonds. This edition of IGJS Jaipur aims to focus on presenting the finest range of products across various categories, including loose stones such as color gemstones and diamonds, as well as gemstone and diamond-studded jewellery. Additionally, the event will also feature a selection of exquisite silver jewellery.

One of the primary objectives of the IGJS Jaipur is to establish meaningful connections between suppliers and manufacturers with discerning international buyers who are seeking to source the aforementioned products.

The IGJS Jaipur attracts a prestigious buyer profile consisting of esteemed retailers, wholesalers, and importers who are renowned for their commitment to quality and significant contributions to the industry. Their participation guarantees a high level of business engagement and abundant opportunities for sellers and buyers alike. This event is a must-attend for industry professionals and enthusiasts, offering a unique chance to explore India's finest offerings in fine jewellery and gemstones while facilitating valuable international connections between buyers and sellers.
