

## **NEW SHELL SCHEME BOOTHS AT IIJS 2019**

Council in its endeavour to enhance IIJS, has introduced new concept of booth. All exhibitors having 1 & 2 booths (9 sqmtr & 18 sqmtr) & interested to apply for built-in shell scheme booths, will be offered the booth as per new design only. With the introduction of new booth design, no shell scheme booths will be offered in Maxima structure as was been done in previous editions.

Below are few images of the look & feel of the new design. All booths will be provided with basic booth furniture, the details of which will be provided in the exhibitor manual. Please note that the customization of booth is permitted only by applying for additional furniture as per requirement & its placement to be mentioned in the online exhibitor manual. No modification of the overall booth is permitted.
