CIRCULAR

“Registration of Interest (ROI)” towards participation at IIJS Premiere 2021 (Physical show) for show venue outside Mumbai in mid-September 2021

Dear Industry Colleagues and Members,

Greetings from GJEPC!!!

We hope you and your family are safe and healthy!

Thank you for your continued patronage and support to GJEPC. The difficult times of the global pandemic have affected us and businesses from our sector very badly. The current declining covid cases in India and the ongoing vaccination drive for Covid-19 started by Government of India has prompted us to start the process for conducting the much-awaited IIJS physical show. As per the MOHFW (Ministry of Health & Family Welfare) **25,90,44,072** no of people have been vaccinated in India as on 15th June 2021.

As you are aware IIJS Premiere which has been taking place at NESCO (Bombay Exhibition Centre) was converted to Covid facility centre last year and is still being utilized to treat covid/post covid patients along with the massive vaccination drive led by the Maharashtra Government. Further, other large size venues available in Mumbai such as MMRDA ground in BKC Bandra, NSCI Dome (Worli) and CIDCO Exhibition & Convention Centre (Vashi) are also being converted to Covid facility centre. Hence unfortunately, venues in Mumbai will not be available this year too for physical shows.

As markets are opening slowly and people are resuming back in business and understanding the popular sentiment of exhibitors and the trade for conducting IIJS physically, GJEPC is now considering moving IIJS Premiere 2021 in another city. The Proposed cities which are being explored for organising the show are **Bengaluru - Karnataka, Gandhinagar - Gujarat, Jaipur – Rajasthan, Noida – Uttar Pradesh**. The final venue will be intimated to you very soon.

As an important stake holder of GJEPC, we would request your opinion in the form of “**Registration of Interest (ROI)**”, as done in the past towards any changes in the IIJS show format. This helps us to plan the show accurately and meet expectations of the trade.
